“We are incredibly honored for Corazón to be recognized so highly and to be deemed World’s Best Tequila,” Agave Brand Director Megan Hurtuk said. “Our partners at Casa San Matías are committed to producing the highest quality spirits, and these awards are a true testament to their craftsmanship and dedication.”

Tequilas and mezcals are submitted from around the world each year for the annual World Tequila Awards, which is judged by an international panel of industry experts. The judging process for this competition takes place in three rounds. First, each tequila is tasted by category and given a placement. In the second round, the “Best” tequila from each category is compared via taste. The third round repeats the second round, and finally the World’s Best Tequila is named.
